

## BRIDGES COULD BE FREE IF ORDER IS CANCELLED

Chairman of Commission Says Four Plans Are Possible

### OUTLINES THE PLANS

Suggests Four Methods By Which Objective Could Be Accomplished

PALMYRA, Apr. 13.—The Tacony Palmyra and Burlington-Bristol bridges could be turned over to Pennsylvania and New Jersey in 1956, without cost and debt free, and then operated by the states as toll-free spans.

Howard R. Yocum, chairman of the Burlington County Bridge commission, today said this could be done, but "only if the existing restraining order against the spans were lifted."

"If the restraining order were removed," Yocum explained, "the commission could immediately adopt any one of four plans which would result in great savings to the traveling public."

As alternatives to the plan for making the spans toll-free six years earlier than originally estimated, Yocum said, any of the following plans could be carried out:

1. Establish a permanent five-cent toll.

## Prize-Winning Pictures Will Be Displayed Here

An exhibition of prize-winning pictures from the 1949 Graflex photo contest will be on public display at Nichols Photo Service, 325 Mill st., April 14 to April 25. The exhibit will be open daily.

In the action group special attention will be focused on Edward Arndt's "Broken Ladder." This shot captured for Mr. Nichols' customer the distinction of being the only winner of two first prizes and biggest money winner. Arndt says he wouldn't part with his prize-winning Graphic for the world, and used part of his prize money to buy the latest model Graphic from Mr. Nichols. He now owns two outfits.

These pictures are said to be a selection of the finest professional and amateur photography produced in the past year all over the world. The photographs were selected by leading magazine editors and photographers from thousands of entries received from every state in the nation and 20 foreign countries. Many of photography's leading names and some of tomorrow's outstanding cameramen are represented.

The subject matter of the pictures ranges from dramatic news shots to the finest examples of child portraiture, scenic studies and exciting action photography.

In all, 63 prizes totalling \$5,000 were awarded in the 1949 contest, which was open to pictures made anywhere in the world with any Graflex-made camera. The competition was divided into four classes: Teen-agers, amateurs, professionals and color (open to all). Pictures in the first three categories were divided into action and feature, depending upon the subject matter and purpose of the photography.

The prize-winners in this fifth annual contest hailed from 19 states, with one from Canada. Six women were represented among the winners.

Exhibitions of the prize-winners are now on nation-wide tour and will be shown in photographic stores, museums, department stores, theaters and camera clubs during the year.

## HERE AND THERE IN BUCKS COUNTY TOWNS

Activities of Interest To All In The Various Communities

### GLEANED BY SCRIBES

Hearing a dog barking wildly, John D. McCown, Perkies, RD 2, whose farm is located west of Plumsteadville on Monday investigated only to discover a tool shed or workshop on fire.

Fire broke out in the tool shed about 3:15 p. m. while Mr. McCown was taking a nap. Mr. McCown was out in a car which would have been in the stone garage adjacent.

Chief Walter Rush, of the Plumsteadville Fire Co., said the workshop was destroyed, including many tools and equipment. The fire was less than 30 feet away from a stone house. Fortunately, the two-car garage was made of stone and was saved although the fire managed to eat through the partition beneath the roof.

Dublin Fire Company, which answered the alarm also, laid 1300 feet of hose to a stone quarry which had water in it but also plenty of mud, handicapping the firemen.

Firemen were unable to save the workshop which was a mass of flames when they arrived and also unable to estimate the damages.

Election of officers at a meeting of the Ivyland Parent-Teacher Association, Monday evening, resulted as follows: President, Mrs. Meale Shaefer; vice president, Frank Henderson; secretary, Mrs. Albert Leedom; and treasurer, Mrs. John Brabazon.

President J. Comly Stover, who presided, announced that basketball backstops have been finished.

## Louis F. Weyand Elected To Board of 3M Company

ST. PAUL, Minn., Apr. 13.—Louis F. Weyand, of Detroit, vice president in charge of the Minnesota Mining & Manufacturing Co.'s adhesives and coatings division, was elected to the firm's board of directors Tuesday.

A veteran of 35 years with the company, Weyand joined 3M in 1915. He subsequently held a number of sales supervisory posts, and was named general manager of the adhesives division in 1945. He was elected a vice president of the firm in 1948.

Headquarters of the company are in St. Paul. The adhesives plant and offices are in Detroit.

## CLUB WOMEN ATTEND TELEVISION PROGRAM

Professor R. P. Korbobo, of Rutgers, Demonstrates Landscaping

### MRS. FISHER PRESIDES

PHILADELPHIA, Apr. 13.—The right and wrong way to landscape your home was effectively demonstrated yesterday by Professor Raymond P. Korbobo, specialist in ornamental horticulture at Rutgers University, New Brunswick, N. J., during the fifth meeting of the Television Women's Club. Professor Korbobo used a unique device known as the "Rutgers Plan Animator" to illustrate his points.

According to Prof. Korbobo, the main principles to keep in mind while landscaping are: "(1) frame your home with trees; (2) soften the architectural lines of your building with shrubs, etc.; (3) and maintain an open lawn area."

Attending the Television Women's Club were 200 club women from the Bucks county area and representatives of local garden clubs and firms. Mrs. E. Wilmer Fisher, of Morrisville, president of the Bucks County Women's Clubs, acted as chairman of the day. Also on the platform were Mrs. Earl Tomb, of Bristol, president of the National Beauty and Wild Flower Preserve in Bowman's Hill; Mrs. Ernest Littlefield, Morrisville, radio and television chairman; and Mrs. Fred Martin, Doylestown, Bucks county chairman of the Girl Scouts.

The Television Women's Club, representing more than 300,000, continued on Page Three

## Senator Watson Named Cooke Campaign Manager

Announcement has been made by Auditor General Weldon B. Heyburn of the appointment of State Senator Edward B. Watson, of Mechanicsville, as campaign manager in Bucks county for Jay Cooke, candidate for the Republican nomination for Governor of Pennsylvania.

Heyburn is managing the Cooke-for-Governor campaign throughout the State.

## WORLD NEWS IN BRIEF

Bad weather over the Baltic yesterday halted the search for a Navy plane missing since Saturday with ten men when, according to Moscow, a United States and Russian plane exchanged fire. Earlier an oil slick had been sighted. The Soviet press charged that the United States was using the search as a cover for extensive reconnoitering and said that search planes had violated Denmark's territory.

Moscow accused Italy of having delayed indemnities out of current production and liquidation of assets in Balkan countries or both, and demanded prompt action. Italians expressed surprise, saying talks to evaluate their holdings in satellite areas were still going on.

A United States note asked Czechoslovakia to assure native employees of the Embassy that they were not considered traitors and to publish corrections of an alleged statement by a former Embassy aide attacking United States activities.

Secretary Acheson will hold separate talks with the French and British foreign ministers before the three open their conferences in London next month. An agenda covering all major trouble areas is being prepared for that meeting and

for that of the North Atlantic Council, which will follow.

Strikes called by Italian Communists to protest the arrival of North Atlantic Treaty arms from the United States met with little success.

The Western occupying powers were impatient over the plan of West Germany to delay joining the Council of Europe until after the foreign ministers' London meeting. Germans expelled from Eastern areas threatened to seize farms if Bonn did not act quickly on land reforms.

## OPENS DRIVE TODAY FOR HOSPITAL FUND

Doylestown Emergency Hospital is Managed Entirely by Women

### DRIVE ON FOR \$100,000

DOYLESTOWN, Apr. 13.—The Doylestown Emergency Hospital—the only hospital in the United States operated entirely by women—opens a \$100,000 enlargement fund campaign; this morning to continue through April.

Because of the fact that overcrowding is today's problem in hospitalization, the new addition to the hospital, now well under way, is necessary.

The new building, of fireproof, brick construction, is two stories high, 44 feet wide by 80 feet long, and attached to the rear of the present building, and in keeping with the Colonial architecture of this historic community.

The hospital started in a very humble manner in 1922 and has continued for 28 years without interruption.

Since its start 28 years ago, up until this week, the hospital has had 37,719 admissions. During the past ten years there has been an annual increase, from 1220 admissions in 1939 to 6118 last year.

During the past year there have been 644 births representing 4508 days of baby care.

The total capacity of the hospital when completed will be 52 beds. There will be two delivery rooms, a modern laboratory, nursery, new elevators and many other improvements.

## Mrs. Zade G. Appleton Is To Be Buried Saturday

TULLYTOWN, Apr. 13.—A life-long resident of this community, Mrs. Caroline W. Appleton, widow of Zade G. Appleton, died last evening in St. Francis Hospital, Trenton, N. J. She had been ill for a long period of time.

Mrs. Appleton is survived by three sons, Clarence, Trenton, N. J.; Lester, of Tullytown, Arthur, of Penn Valley; also by a niece, Mrs. Samuel Janison, Trenton.

Service will be at the Molden funeral chapel, 133 Otter street, Bristol, on Saturday at two p. m. Friends may call Friday evening.

## Child Slightly Hurt As She Darts Into Car

A seven-year-old girl, Joan Paroly, 699 Second avenue, was slightly injured yesterday afternoon at 4:10 when, according to information given to police, she darted out into the path of a car driven by Marty Green, 237 Mill street.

The child was crossing Pond street at Walnut street and Mr. Green was driving east on Pond street, when the accident occurred. The child was treated at the Harriman Hospital for brush burns of the leg and elbow.

### ANNIVERSARY DINNER

EDGELY, Apr. 13.—Mr. and Mrs. Albert Woods entertained at a dinner on Sunday in honor of Mr. Wood's aunt, Mrs. Cora Wood, Trenton, N. J., who was celebrating her 82nd birthday anniversary. Guests were: Mr. and Mrs. George Darnell, Trenton, N. J.; Miss Ida Rose, Miss Lillian Orr, Mrs. George Rose, Ocean City, N. J.; Mrs. Mary Foster, Croydon; Mrs. Warren Jester and children Dianne and Gary, West Bristol.

### ENGAGEMENT MADE KNOWN

## TWO SPEAKERS ARE TO ADDRESS GROUP

Spring Assembly To Be Held at Doylestown, April 22nd

### PLAN TWO SESSIONS

Dr. Gary Cleveland Myers, state chairman of mental hygiene, and Mrs. Alexander Groskin, state vice-president from District I, will be the speakers at the spring assembly of Bucks County Council of Parent-Teacher Associations to be held on Saturday, April 22, in the Doylestown school, Broad and Court streets, Doylestown.

The morning session will start with registration at 9:30, the call to order at 10 o'clock. Mrs. Alvin Pratt, president of Bucks County Council will preside. At the business meeting there will be one minute reports by local presidents, and election of officers to serve for the next two years. Mrs. Ralph Fox, Morrisville, past president of the Bucks County Council, will conduct the election. Alvin Blatchley, Wrightstown, chairman of the nominating committee has announced the following candidates for office: President, Mrs. Alvin Pratt; vice-presidents, Mrs. Raymond Gilbert, Richboro; Carl Hoffman, Penns Park; Mrs. Thomas Maddock, Washington Crossing; James Taylor, Buckingham; secretary, Mrs. Harry Willis, Warminster; and treasurer, Mrs. Stanley Blinn, Newtown. Additional nominations may be made from the floor, provided the consent of the nominee has been obtained.

After the business meeting, Dr. Myers, who is also editor of the magazine, "Highlights for Children," will speak on "Mental Health Begins at Home."

Lunch will be served in the school cafeteria. Reservations for lunch, must reach Mrs. Robert McKinstry, Golf View road, Doylestown, by April 15.

The afternoon session at 1:30 will open with special music under direction of Miss Helen Chew, county music chairman.

Mrs. Alexander Groskin will speak on "The Common Sense Approach to Study Groups." Since study groups are a special project of the Pennsylvania Congress of Parents and Teachers.

Mrs. Groskin will install the newly-elected officers.

Local presidents are requested to take to the meeting extra copies of their local unit programs for the current year to give to other local presidents. Through such an exchange, many good ideas for future local unit programs are traded.

The County Council expects a large turnout of local presidents and local unit delegates to hear Dr. Myers and Mrs. Groskin and to vote for the new County officers. Local units may send as many delegates to the assembly as wish to attend.

### BURIED IN PHILADELPHIA

Mrs. Elizabeth Anthony, known to many as "Lizzie," as she sold notions and clothing from door-to-door in Bristol and other communities in lower Bucks County for years, was buried in Philadelphia on Tuesday. Mass was sung in a Philadelphia church Tuesday morning.

Mrs. Anthony died in the Pennsylvania Hospital, Philadelphia, on Thursday.

### ONE MAN'S OPINION

By Walter Klerman (Distributed by International News Service)

Republican worries over the national debt are not expected to particularly excite Mr. Truman. . . . He's personally solvent.

But the Republicans are of the opinion that Harry has turned pay-as-you-go financing into a spend-as-I-stay plan which could turn into an after-he's-gone headache.

They would like to limit the national debt which has been mounting steadily despite the number of persons who say "Isn't that the limit?" each time they hear a budget message.

And there's nobody with wider experience with a "boom and bust" cycle than the Republicans. . . . They went over the handbells on the last one.

They always said their troubles were due to world conditions. . . . The Democrats have the same world available as a character witness if they ever need it. They can prove it's even worse now.

## "Watch Repairing" is A Service Club Subject

ANDALUSIA, Apr. 13.—Richard Graven addressed members of Bensalem Rotary Club on Tuesday evening on the subject of "Watch Repairing." Mr. Graven's instructive talk was augmented by the display of minute watch parts which were passed about the room.

Mr. Graven informed that the wrist watch dates back to 1581 when Queen Elizabeth was presented with a "wrist clock." In 1809, the speaker informed, the first American watch factory was established. Graven suggested that a watch needs regular servicing, the same as that given an automobile. Dinner was partaken of at this session in King hall.

## CHARGE TWO WITH DRIVING RECKLESSLY

Fine Paid by James Dixon, New York, After Accident Near Pennel

### TO ARREST PHILA. MAN

LANGHORNE, Apr. 13.—Driver of one automobile paid a fine on charge of reckless driving, and another driver is to be charged similarly, according to state police. The cases are the result of two automobile accidents in this area yesterday.

James Dixon, 36, of New York, N. Y., driving west on the Lincoln highway, is said to have run into the rear of a car operated by Amos Jackson, 44, of Trenton, N. J., at Hulmeville road, west of Pennel. Both were travelling west at 12:15 p. m. No one was hurt. Hearing took place before Justice of the Peace Horace Cooper, here.

At 10:55 last evening on Bellevue avenue, Langhorne Manor, a car operated by Bernard J. Kelly, 23, of Philadelphia, ran into the rear of a machine operated by Howard C. Guthrie, Treviso, and which was stopped, according to police. Kelly was taken to Mercer Hospital, Trenton, for treatment of lacerations of the forehead. He is employed at the Herbert Phillip farm, here. Police state that Kelly will be charged with reckless driving.

### BIRTH

Mr. and Mrs. Robert McCay, Green Lane, are rejoicing over the birth of a daughter, Sandra Anne, born Saturday, in Nazareth Hospital, Philadelphia. The baby weighed 8 lb. 4 1/2 oz. Mrs. McCay is the former Miss Eleanor Gerhart, Tullytown.

### Hotel Manager Held Up and Robbed

Philadelphia—"This is a holdup, sir. Please don't pull anything out of order."

With this polite command, two well-dressed gunmen held up the night manager of the swank Chateau Crillon Hotel in the Rittenhouse Square section of Philadelphia today and escaped with \$125.

Before leaving, the thieves escorted Joseph M. Hughes, the manager, to an elevator and then jammed the door shut.

### Unloading First Direct Arms Shipment to France

Cherbourg—Cherbourg dock workers began unloading today the first direct shipment of arms to France under the North Atlantic Pact, ignoring a highly-publicized Communist demonstration which swiftly collapsed.

Only 30 persons showed up for the demonstration against the arms shipment and were quickly dispersed. Unloading is expected to be completed tonight.

### MORE BERLIN TROUBLE?

May Day, traditionally the  
communists' day for devilry, is  
scheduled to produce some  
troubles in the Berlin area. An in-  
vasion of Berlin by the East  
Zone's communist youths is plan-  
ned, followed by riotous demands  
for "liberation" of Berlin from the  
western nations.

This will be followed by an  
"election" in Eastern Germany  
supporting the Moscow demands.  
Then Russia will announce, it is  
predicted, that the presence of the  
Western powers in Berlin is in-  
tolerable to the German people.  
A new blockade of Berlin will be  
set up, using German instead of  
Russian troops to block off roads  
and railways.

That such a blockade of Berlin  
can be more troublesome than the  
last is indicated by the fact that  
the Russians have completed a  
railway network about the Ger-  
man capital which can not be dis-  
rupted from the West. The Rus-  
sians would have complete con-  
trol of all transportation except  
by air. And by radar-jamming  
tactics the Russians could veto  
another airlift which depended  
upon instrument landing in bad  
weather.

Whether all this trouble will  
come to pass may depend upon  
whether Russia is prepared to  
press the Berlin issue to the point  
of a world war. But unless the  
Moscow predilection for contin-  
ual trouble making stops the West  
some day will grow tired of it and  
demand a showdown.

Then it will be ascertained how  
serious Russia is in her role of a  
world conqueror.

### COLDS ARE COSTLY

When it comes to loss of man  
hours nothing can quite keep up  
with the common cold. Periodi-  
cally scores of school pupils are  
absent because of respiratory  
troubles. The amount of time lost  
from jobs by adults is appalling.

The peculiar thing is that no-  
body pays much attention to the  
inroads made by colds. One can  
imagine what a row would be  
raised if a similar number of pu-  
pils were out of school or adults  
off the job on account of chicken-  
pox, measles, mumps or scarlet  
fever.

Most sufferers from colds take  
a rather philosophical view of the  
matter. They treat themselves,  
take some precautions and then  
decide the worst will be over in a  
few days. Industry has rather ad-  
justed itself to the cold. A certain  
number of persons are expected to  
be off in winter, spring and fall  
as a result of the disease.

Those seeking new fields of  
discovery have only to look at the  
common cold. It opens a mighty  
avenue of research to the scientist  
or physician who can pry out its  
secrets. The man who discovers  
how to prevent colds might not  
win the fame of Christopher Col-  
umbus, but he will cut a mighty  
swath in world economics.

Among America's internal  
troubles are Russians, fellow trav-  
elers, parlor pinks, and those in  
high places who will not turn their  
backs on Hisses.

# ★ TRIM TWO-STORY ★

**BUDGET-PRICED SIMPLICITY** makes this brick home a popular choice. The house is small but it looks larger because of the side porch. Window shutters add charm to the exterior of the house, which is Colonial in style. A trellised porch frames the entrance.

By JOAN O'SULLIVAN

THIS brick home is a popular type because of its Colonial simplicity and moderate cost. A small house, it actually looks bigger than it is since the side porch adds length to the front view.

Attractive shutters add interest to the windows and the trellised porch gives a note of charm to the entrance. A side porch is not only pretty but practical, too. It provides a shady spot to sit on sunny days and might also be used for

outdoor dining.

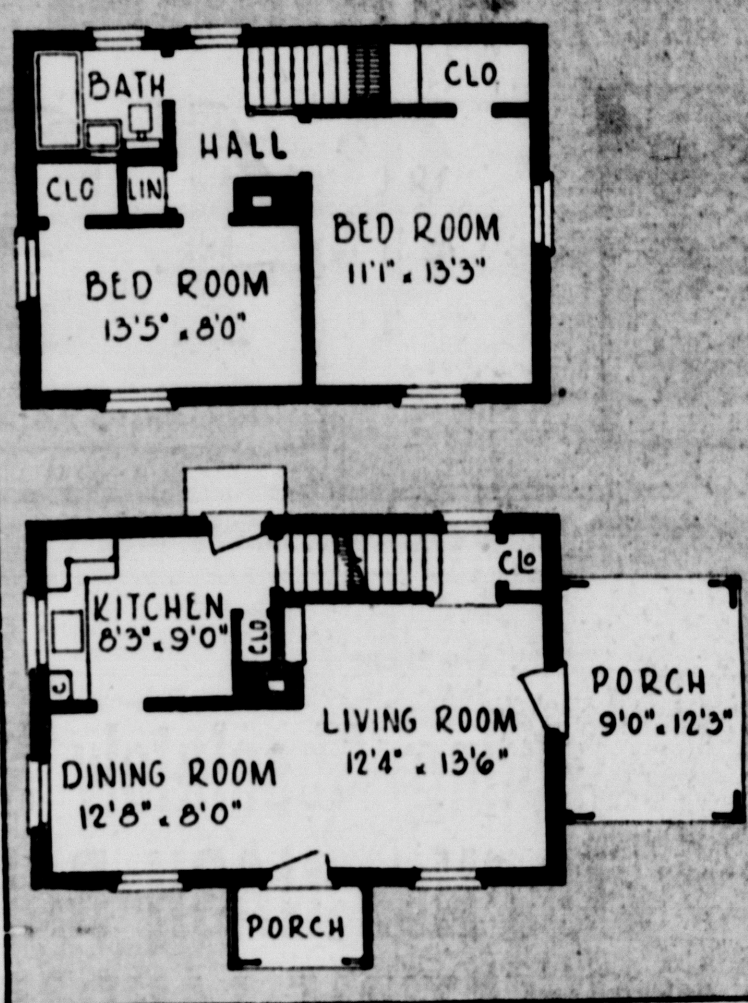

Opening off the front door, there's a living-dining room. This arrangement, so popular these days, should stir the imagination of the home decorator. There are so many attractive ways to fix up combination rooms. There is no hall closet but guests' clothes may be placed in a closet in the far corner of the living room.

Upstairs are two bedrooms. One is available to accommodate twin beds. Closet space is more plentiful on this floor. Each bedroom has a good-sized

closet and there's one in the hallway for linens. The bath is on the second floor, too.

The house takes up 13,765 cubic feet. Ceilings on first and second floors are 8 feet high, basement height is 7 feet.

An information sheet giving sketches and diagrams, which will enable you to judge whether this house is for you, is available. Send a self-addressed stamped envelope to this newspaper for the name and address of the firm from which this sheet may be obtained. Ask for "The Alcan."

**FLOOR PLANS** for this small two-story home are efficiently arranged. A living-dining room takes up most of the main floor.

## HOUSEKEEPING SHORT CUTS GIVE THE HOME MAKER MORE LEISURE

By Miss Frances Vannoy  
Home Economics Extension Rep.

One of the disheartening things about housekeeping is that every job has to be repeated. Today's clean shining rooms must be put in order and dusted again tomorrow. But there are short cuts to housekeeping which will give the homemaker more leisure time.

The proper equipment will make each cleaning process as easy as possible. Keep the equipment where it is convenient; keep it in good working condition. Follow the direc-

## HOLLYWOOD BEAUTY PARADE

By Max Factor, Jr.

(Famous Make-up Advisor to the Screen Stars now writing for INS)

HOLLYWOOD. — (INS) — If you are absolutely unable to resist an urge to create the new "doe-eye" make-up effect for yourself, here are some important pointers you should bear in mind:

Don't try to "ad lib" your very first doe-eye make-up. Get an illustration which shows make-up of this sort, study it, and then proceed as much along the lines observed as possible. Some awfully weird results can come out of just guessing how a doe-eye make-up ought to look.

Bear in mind that there are two major types of "doe-eye" make-up. One is for the daytime, one for the evening. Daytime doe-eyes require that all pencil lines be blended into not at all sharp shadow lines. Metallic sheen eye shadow shouldn't be used for the daytime doe-eyes. For night-time appearances, the pencil lines can be allowed to remain darker and sharper, and the metallic shadow effects are glamorously effective.

Very dark-haired brunettes are the only ones who should present doe-eyes done with black pencil and lash make-up. Blondes and red-heads should use these materials in brown, and brownettes and light brunettes should use brown-black.

There's one little accessory to this doe-eye style which it might pay for you to experiment with, no matter whether you favor the eye-styling itself, or not. This added

gadgetry is the beauty patch, frequently presented along with the doe-eye make-up. Use of the beauty patch offers simple application of a sound principle of optics. If you have very lovely eyes, and establish a little dark beauty-patch dot somewhere in their vicinity, this dot will draw onlooking gaze in this direction.

Or if the mouth is the outstandingly attractive feature, a beauty

patch dot close to it will draw attention toward this area.

But don't confuse the issue by putting on two beauty patches, one for the eyes and another for the mouth. And if you don't know where to locate one of the adhesive, stickum kind of beauty patches on short notice, just dot one on with your eyebrow pencil.

## MAKE SURE YOUR HOME HAS MODERN WIRING TO BRING YOU ALL THE COMFORTS OF ELECTRIC LIVING

Think how many new electrical comforts you've added in just the last few years. Think how many more you plan to add as time goes on. To make sure that they all serve you efficiently—you'll want to have your home wiring checked.

Check to see if you have sufficient wiring coming into the house. Check to see that there are enough circuits throughout the house to provide for efficient use of every appliance. Check to see if ample switches and outlets are conveniently located in every room.

Any of the electricians listed below will be glad to make a free survey of your home. He'll advise you if any changes are needed—tell you the exact condition of your present wiring. No obligation—of course. Why not call him today?

# Bridges Could Be Free If Order Is Cancelled

Continued from Page One  
fare for motorists by 1960, with an immediate toll reduction to 20 cents.

2. Make the bridges toll-free in 1958, four years earlier than estimated.

3. Refinance the spans and lower tolls immediately to 15 cents.

"Because of unusually large increases in traffic, resulting in much higher revenues," Yocum said, "a revision of traffic engineers' estimates indicates that any one of the four plans could be put into effect."

"Unusual increases in traffic have produced revenues during the first three months of 1950 which are almost equal to what traffic engineers estimated the spans would not produce until the first three months in 1958."

Explaining the four possibilities for making the spans toll-free or greatly reducing tolls, Yocum said:

"If the spans were turned over to Pennsylvania and New Jersey in 1956, and operated as toll-free crossings, it would mean Burlington County would have to forego its anticipated profit from the purchase of the bridges. It also would mean the present 25-cent toll would be continued."

"However, if the plan which calls for a five-cent toll in 1960 were adopted, tolls now could be reduced to 20 cents and it still would insure Burlington County a profit of \$4,350,000."

"By making the spans toll-free in 1958, instead of 1960, the 25-cent toll would be continued, and Burlington County would receive approximately \$5,000,000 profit, or \$700,000 more than it originally anticipated."

"Immediate reduction of tolls to 15 cents could be effected by refunding the bond issue over a longer term, with possibly a more favorable interest rate."

Any one of the four plans, Yocum said, could be carried out by payment of bonds well in advance of their due dates.

"At the present rate the bridges are producing revenues, and with allowance for moderate future increases, this could easily be done," Yocum said. "Revenues of \$1,622,384.11 earned in 1949 were \$203,384.11 more than estimated by traffic engineers at the time of acquisition."

"During 1949, the revenues on the Tacony-Palmyra bridge increased 23.4 percent over the previous year, while the Burlington span's revenues increased 20.6 percent. Both boosts resulted despite lowering of tolls from 30 and 35 cents to 25 cents."

"However, none of these plans can be adopted as long as the restraining order continues against the bridges."

## Two Slates of Officers Nominated For The PTA

LANGHORNE, Apr. 13—Because of the increased interest in Parent-Teacher Association activities, two slates of officers were nominated at the April meeting of Langhorne-Middletown PTA, on Tuesday evening in the high school.

Nominated for the office of president were Joseph Van Deventer, currently treasurer of the organization, and Bert Goudy. Proposed by the nominating committee for the post of vice president were two teachers, Miss Georgianna Staehle and George Zarr. In addition, John Belier was nominated for this post from the floor. Mrs. Carl Cortis and Mrs. Robert Smith were nominated for secretary; and for treasurer the names of Harry Ticehurst and William S. Erwin were listed.

It was proposed that each of these nominees be heard from at the May meeting, concerning his or her views on future PTA activities, before elections are held. Ballots containing the names of all nominees will be distributed at the May meeting.

Walter Weir presided at the meeting.

A film "The Fight for Better Schools," was shown. It depicted the manner in which residents of Arlington, Va., organized to elect a progressive school board and replace outmoded school buildings with new and functional buildings.

A panel of teachers spoke on the type of subjects they feel should be taught for the future and the kind of facilities they feel would be required in a new school for this purpose. The teachers comprising the panel were: Miss Staehle, Mrs. Hopf, Mrs. Simon, Mr. Egli and Mr. Zarr. They spoke on the kind of equipment needed for classes in science, counseling, English, home-making, physical education and industrial arts.

The lucky name tag prize for the evening—a tub of pickles, was won by Miss Nancy Palmer, who announced she would donate it to the Youth Center. Fire extinguishers were made available for the first ten people on their feet with questions or opinions following the panel discussion.

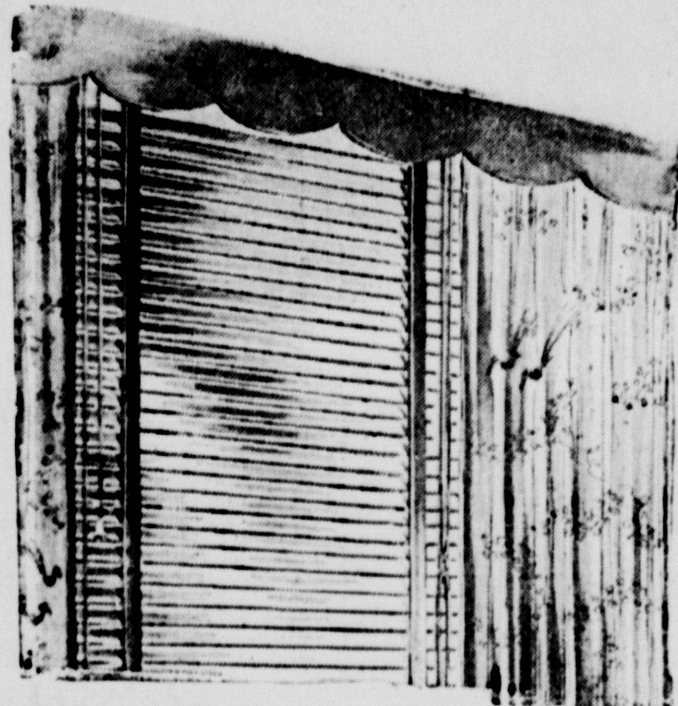

Coffee and cup cakes were served in the cafeteria.

spend Friday. The journey home Friday evening will be by train. Fifty-six are in the party, chaperones being Mrs. Gloria Mack, teacher of girls' health and physical education; and Eugene Schneck, dean of the senior class. Also in the party is Mr. Mack, husband of the physical education teacher.

Pennsbury District  
Continued from Page One

The Pennsbury joint school board recently elected George W. Jarnoska as director of physical education and head coach of football and basketball. He will take over his duties at the beginning of the new school year.

Mr. Jarnoska graduated from Jersey Shore high school in 1938 and entered Dickinson College where he played varsity football and basketball for two years. In September, 1940, he entered the University of Maryland and played varsity football for three years, and varsity basketball for one year. He played guard under Clark Shaugnessy and Joseph Stydahar, past and present coaches of the Los Angeles Rams.

Following his graduation from the University of Maryland in February, 1943, he entered the army and served for 23 months overseas in the Third Army. He was discharged in December, 1945. He then was elected teacher and coach at the Jersey Shore high school where he has served for the past four years. During these years he acted as line coach for the Jersey Shore football teams during which time his teams won 28, lost nine and tied four games.

As junior varsity basketball coach over a period of four years, he had two undefeated teams and tied for first place and one second place team.

In March, 1950, he was appointed

varsity basketball coach of the Jersey Shore high school. During the past basketball season he played forward on one of the independent basketball teams in the central Pennsylvania area. The team won 27 games and lost one. George W. Jarnoska is married and has a two-year-old daughter. He expects to move to the Pennsbury area in July.

Housework  
Easy Without  
Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness, getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

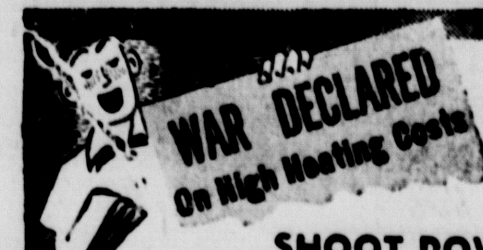

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully for millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief — help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today! Mr. and Mrs. Henry A. Drury, Doylestown, who have been living there more than two decades, died within three days of one another.

Mrs. Jennie Dewart Drury, 80, who has been a patient in a convalescent home, Quakertown, for several months, died on Saturday.

Her husband, Henry A. Drury, who was 83 and a patient in an Allentown hospital, died Tuesday

morning. He was in the institution only a few days.

He is survived by two sisters, Mrs. Walter Z. Barndt, Quakertown; Mrs. Bella D. Williams, Hyattsville, Md., and a brother, George F. Drury, Sommers Point, N. J.

Mr. Drury was a retired draftsman and Mrs. Drury was a member of the well-known New York, N. Y., publishing family and newspaper owners, Dewart, of the now defunct New York Sun.

Welcome as April sunshine are tender cream puffs filled with ice cream and topped with fresh strawberry sauce. When making cream puffs at home, drop batter by heaping tablespoons onto a well greased baking sheet. Leave two inches between each puff to allow room for spreading. Bake first at a high temperature (450 degrees F.) to puff them, then at moderate temperature (350 degrees F.) to dry out and brown. As soon as you take puffs from the oven make a tilt to let steam escape.

## REQUEST FOR BIDS

**NOTICE**

Sealed proposals will be received by the Delaware River Joint Toll Bridge Commission until 10 a. m., April 20, 1950, for furnishing all labor, material and equipment, and other means of construction, needed for the improvement of the Pennsylvania Approach of the Calhoun Street Bridge over the Delaware River between Morrisville, Pennsylvania and Trenton, New Jersey.

The general items included in this contract are: new officers' shelter; 275 cubic yards of fill; 140 linear feet of concrete curb; 80 square yards of four inch (4") concrete sidewalk; 220 square yards of six inch (6") topsoil and seeding.

Proposals must be submitted on the form furnished by the Commission and each shall be accompanied by a certified check in the amount of Five Hundred Dollars (\$500.00) made payable to the "Treasurer of the Delaware River Joint Toll Bridge Commission" as a guarantee of good faith.

Plans and specifications are on file at the office of Edwin W. Denzler, Jr., Chief Engineer, 526 Broad Street Bank Building, Trenton 8, New Jersey, and can be obtained upon application.

All proposals shall be submitted in separate sealed envelopes, each marked "Bid for the Improvement of the Pennsylvania Approach to the Calhoun Street Bridge", and forwarded to the office of Doris S. Jones, Secretary, 526 Broad Street Bank Building, Trenton 8, New Jersey.

The right is reserved to reject any or all bids; to waive any informality in the bids received; and to award the contract only to those experienced in this class of work, and to the bidder whose proposal is deemed by the Commission to be most advantageous to the public interest.

## WHAT IS FINAL WORD ON BIG LEAGUE BASEBALL FOR 1950?

The Boston Red Sox and the St. Louis Cardinals lost out in their respective pennant drives on the last day of the 1949 season. Today, INS shines the spotlight on the chances of the Red Sox and Cards in 1950. Following is the second of six "Last Looks" at the forthcoming big league races.

By Charles Einstein

NEW YORK, Apr. 13 — (INS)—The Boston Red Sox and the St. Louis Cardinals both set home attendance records for themselves in 1949 through the medium of finishing furiously exactly where they finished in 1948 — second in their respective leagues.

If advance ticket sales are indicative, they can threaten the gate records again in 1950. They also can both finish in you-guessed-it place once again, with no trouble at all.

That is not to say the Sox and Cards don't anticipate trouble, both give and take. The Red Sox can very well win the American League pennant — in fact, they are so favored. The Cards could win the National, but they are dangerously at the point of slipping the other way and finishing lower than second for the first time since 1940.

It becomes increasingly evident that Cardinal manager Eddie Dyer will bank everything on the performance of his old hands, who are several and brilliant. Newcomers have not impressed in pre-season

works, and the gravest situation is at first base, where the prodigal Steve Bilko has been, to date, a severe disappointment.

Cardinal destiny thus seems to lie in the carrying qualities of pitchers Harry Brecheen, George Munger, and Howard Pollet; shortstop Martin Marion; second baseman Red Schoendienst; and outfielders Stanley (the man) Musial and Enos Slaughter.

This combination, plus the then-healthy Nippy Jones at first base, carried the Cards to within a game of the N.L. pennant last year.

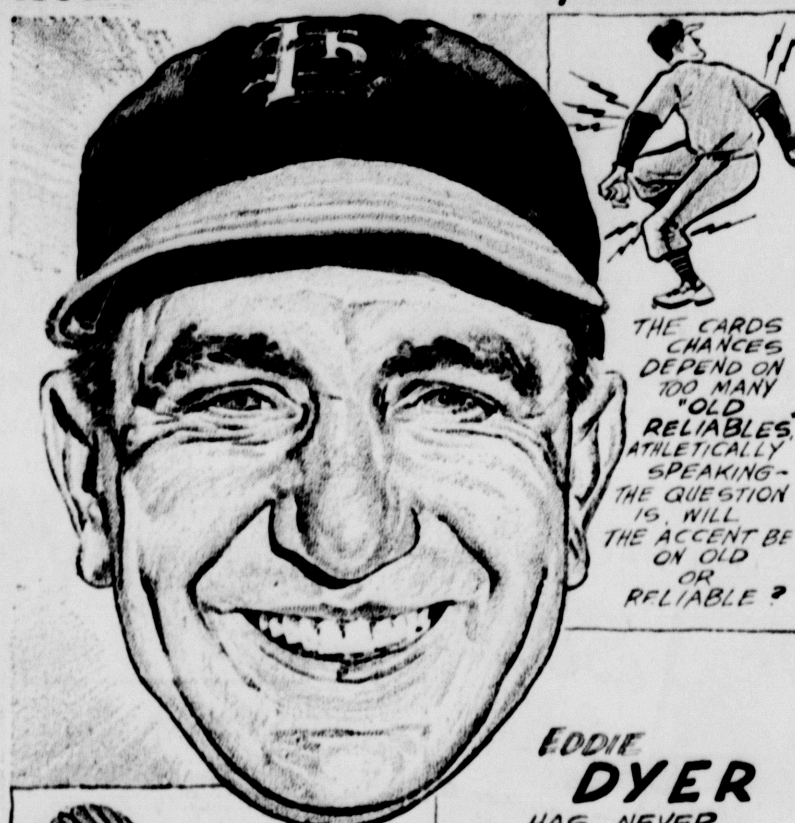

An even more awesome force failed to win the flag, by the same tiny margin, for the rich Red Sox. The fine pitchers Mel Parnell and Ellis Kinder, the matchless slugger Ted Williams, and the boom-bat boys—Johnny Pesky, Vern Stephens, Bobby Doerr and Al Zarilla—all are back with the Sox. All have their health.

Boston's problem is two-fold. The Red Sox will have to win away from home, something they did with dismal infrequency last year, and they will have to start well. Twice they have come from a dozen games off the pace to battle to the last game of the season, and two years in a row they have lost out.

If they can start fast this year—and a break in the schedule puts them at home for the first western invasion—they will, quite possibly, stay on top throughout.

If they don't, Marse Joe McCarthy, their grim manager, can.

ball but was stranted in Township's part of the frame.

In the third, the visitors again crossed the plate. With one gone, E. Ryan received a pass. Woodruff was also walked. Felver hit to Ehrenfried who tossed to Manley for force out. Woodruff, Ryan going to third. Felver and Ryan worked the double steal with Ryan scoring. Dorsey was a strikeout victim.

Bristol Township passed up a scoring opportunity in the fourth. With one away, Muth was given a free ticket to first. Jones singled to right and when Dorsey let the ball get away, Muth continued to third. Charlton and Schade were easy outs.

With one gone in the fifth, Morrisville again scored. Marucci walloped a triple to left. Ryan hit to Holeton whose throw to Gagger trapped Marucci but the runner scored on Muth's bad heave to the plate in the run-down.

Coach Dick's team scored in their half of the inning. Manley's fly to left was dropped by Powell. Gagger was passed. Holeton advanced the runners with a sacrifice. Gibbs lined a hit to left, scoring Manley. With runners on second and third, Barksay and Muth failed to produce.

Morrisville's big inning was the seventh. J. Ryan was given a base on balls. Marucci and E. Ryan smacked out clean singles. Morley struck out. Felver's liner went over Jones' head in centerfield for a clean-up homer. Zack singled and both Henley and Walsh walked to load the bags again. Holeton bore down and breezed the third strike past both Haebie and Pinchhitter Greaser.

Township meets Bensalem at Bensalem on Friday and clashes with Bristol High on Memorial field, Monday afternoon.

## LANGHORNE NINE READY TO OPEN SEASON TUESDAY

LANGHORNE, Apr. 13 — After two weeks of drilling, Coach "Jim" Egli's Langhorne High team is ready for its season's opener against Pennsbury next Tuesday.

The Redskins played two practice tilts with George School and St. Mary's Seminary and lost them both. The latter game was lost by errors in the closing innings of the game.

Coach Egli is depending on "Dick" Mercer to do most of his pitching. Mercer is the only experienced moundman. Jack Moyer and "Jim" Donnelly are out for pitching while Don Caulfield, varsity second-sacker, can also do some flinging.

In addition to Caulfield, the Redskins have three returning infielders in Herb Kaupp, "Bill" Schneider and Jack Cassidy. "Vic" Cring, receiver from the past two seasons, is also back with the squad. "Tommy" Torio can also be used as a catcher although he has clinched the hot corner spot. For utility work, Coach Egli has selected "Charlie" Connolly.

## Suburban League To Organize Here

The Bristol Suburban Baseball League will organize for the 1950 season tomorrow night at a meeting to be held in the office of Paul C. Voltz, Bristol Pike, at eight o'clock.

Paul Voltz, last year's president, has issued an invitation to all baseball teams of this vicinity to join the league as well as those members of last season.

The Voltz-Texaco team won the championship last season with West Bristol being the runner-up. The season was split into halves with West Bristol copping the first half and Voltz-Texaco, the second.

Other members of the circuit were: Hibernians, Flannery's Eagles of Pennel, Edgely, and the Clinton J. Lewis Lodge of Elks.

## FELVER'S SLAM IN LAST INNING OF GAME WINS, 7 TO 1

"Bob" Felver, Morrisville outfielder, made a grand slam home run in the last inning yesterday afternoon as the Bulldogs beat the Bristol Township Junior Varsity nine, 7-1, on the Township field.

Felver's four-run homer ruined a close ball game to give Coach Gordon Davies' minions its one-sided win as going into the final frame, the tilt was being played in close quarters, the score being 3-1. Until the last canto, both hurlers for Coach Stanley Dick's Township team gave a brilliant account of themselves in holding the senior high school team to three runs and two hits in six frames. "Bob" Rigby started and in his three innings of

hurling, gave up two runs and one hit. He had seven strikeouts to his credit and allowed three walks. Allan Holeton hurled the final four frames and added 19 strikeouts to bring the total to 17. He also passed three batters. Holeton struck out the side in the fourth and seventh innings.

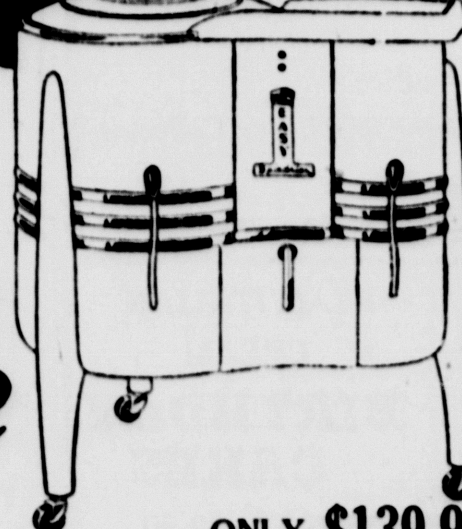

"Jim" Ryan toed the slab for Morrisville for the first six cantos and during his tenure whiffed 11 batters and walked six. He permitted three safe blows. In the final inning, Kowl and Homco pitched for the Bulldogs. An error helped Township score its lone run off Ryan.

Morrisville scored a tally in the initial frame when "Johnny" Marucci worked Rigby for a pass and stole second. He went to third while Joe Muth was throwing out E. Ryan. Rigby fanned "Red" Woodruff but Felver lifted a fly to right which Joe Schade dropped for an error, permitting Marucci to cross.

Ehrenfried walked for Township and went to second on a passed

## RECIPES

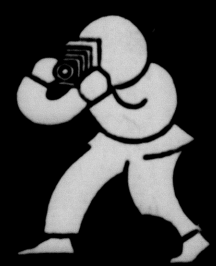

**Salmon Croquettes**  
1 one-pound can red salmon  
1 egg  
1 teaspoon lemon juice  
1 tablespoon minced onion  
½ cup cracker crumbs  
Fat for frying  
Drain salmon and remove bones. Break into small pieces with a fork. Add beaten egg, lemon juice, onion and 2 tablespoons of the cracker crumbs. Shape into small cakes and roll in remaining cracker crumbs. Drop cakes into fat heated to 365 degrees F. Cook, turning once, until nicely browned and tender (about 8 minutes.) Drain on absorbent paper. Makes 5 to 6 servings.

**Potato Puffs**  
2 cups mashed potatoes  
1 egg  
½ cup grated cheese  
Salt and pepper to taste  
Fat for frying  
Combine all ingredients and beat until light. Drop from tablespoon into fat heated to 365 degrees F. Fry until golden brown. Drain on absorbent paper. Makes 12 small puffs.

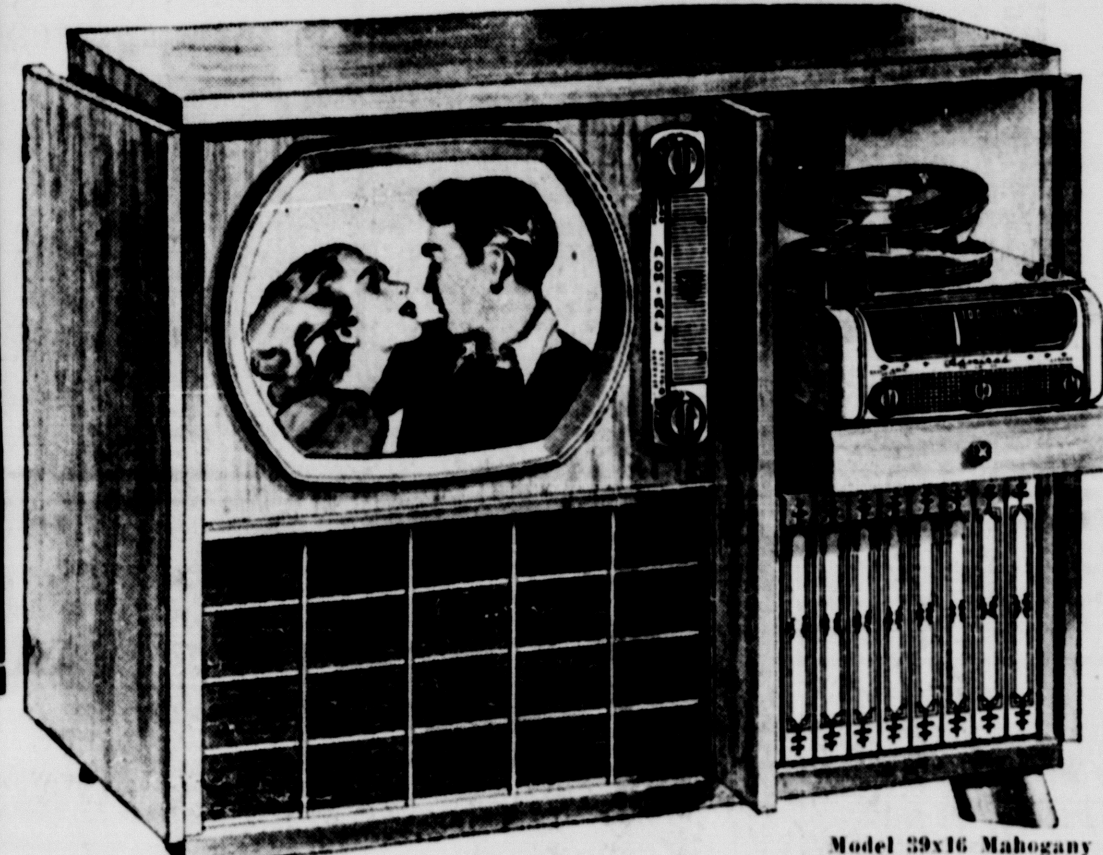

**Surprise Cranberry Relish**  
2 tablespoons orange rind  
2 tablespoons coarsely chopped walnuts  
2 tablespoons pickle relish  
1 1-lb. can whole cranberry sauce  
Cut orange rind in strips. (Use just the orange portion of the peel.) Mix with nuts and pickle relish. Combine with cranberry sauce. Chill for 1 hour, or over-night. Serve with any meat or poultry—especially good with rich meats.

**SELLERSVILLE FIREMEN  
GET NEW APPARATUS**

**Equipment Consists of 2200  
Gallon Tank On Army  
Truck Chassis**

**HAS A POWER PUMP**

SELLERSVILLE, Apr. 13 — Sellersville Fire Company has received its tanker truck, a piece of apparatus which is comparatively new in the Sellersville-Perkasie area. The latest addition consists of a 2,200 gallon tank mounted on an army truck chassis, with a power pump. A line of hose completes the equipment.

The advantage of the water-carrying truck is that Sellersville has answered more out-of-town calls than local calls in the community annually, less than 5% are within adequate water supply. Recently the company has answered

out-of-town calls and found the tanker a definite asset.

The regular pumpers carry what is termed a "booster" tank which is quite handy if the fire is caught before it gains headway. However, the biggest booster tanks are exhausted in eight to ten minutes of pumping.

The new piece of equipment carries about nine tons of water and with a single line of one and one-half-inch hose a stream can be played on a fire for thirty-five minutes before the water supply is exhausted. The regular pumper will

continue to respond to calls, but with the added tanker, rural property will get the benefit of infinitely greater protection.

The cost of the apparatus was \$3,000 and the firemen made the purchase with the full confidence that the community which will be

**HEAT YOUR HOUSE WITH****GAS****BECAUSE ...****GAS HEATING is Economical**

Automatic gas heating equipment is usually cheaper to install than other types of automatic heating equipment, and the cost of gas for house heating is comparable with the cost of other fuels.

**GAS HEATING is All-Automatic**

Fueling is automatic—nothing to order and nothing to be delivered. Heating is automatic; an even temperature is maintained by thermostatic control.

**GAS HEATING is Carefree**

Gas is clean-burning. With gas heating, there is no annoying noise, no ashes, and no fuel storage worries.

See your plumber or heating contractor for further information on gas house heating.

Gold Bond  
Fireproof  
GYPSUM  
SHEATHING

**COSTS LESS TO BUY!  
SAVES BUILDING TIME!**

You get more for your money, too! Gold Bond Gypsum Sheathing, nailed to the studs before the outside finish (shingles, clapboard, etc.) is applied, gives fireproof protection to wood framing, built-in structural strength to walls. It's water-repellent and wind-tight... helps insulate your home!

The big panels, with their asphalt-treated core of gypsum rock, cannot burn. Accurately sized to fit standard stud spacing, they are easy to handle and go up much faster than old-style, inflammable sheathing. Before you build, phone or stop in for more information on Gold Bond Gypsum Sheathing!

# "Sowing Community WEALTH to Reap Community HEALTH"

That's the title to a 16 page booklet you will receive this week pertaining to our Doylestown Emergency Hospital — Read — "When Emergency Strikes" — "Overcrowding today's problem" — "Nursery and Surgery" — "History of the V. I. A. organization, the only woman's club in the United States owning and operating a hospital." — "Compare the 10 year growth of our hospital" — "Look over the medical staff of well known local doctors" — finally; read what other people in a nearby New Jersey County did in a similar situation for a new hospital — then plan to participate in this Hospital Drive, starting Thursday, April 13th.

This Drive  
For \$100,000.00  
is to Complete

HOW MUCH SHOULD  
I GIVE? Read what a  
farmer said in nearby  
New Jersey.

FARMER—I have farmed a fairly large farm for many years. What money I have managed to put away, I owe, in a measure to the county, its people, and its soil. Never before have I seen an opportunity to do something as important as this for my county and myself, and I am going to take \$5,000 from my savings and re-invest it in the Hospital for myself and my county.

Subscriptions are  
deductible from  
your Federal  
Income Tax up to  
15% of individual  
income!

What would  
we do  
without  
a Hospital?

# **ELLETT TO HEAD ACTIVITIES BANQUET** **To Be Staged In Woodside Community Hall On Tuesday, May 2nd**

## **LIST THE COMMITTEES**

FALLSINGTON, Apr. 13 — Albert E. Kellett, chairman of the Woodside Parent-Teacher Association's second annual activities banquet, to be held in the Woodside Community Hall May 2, has announced his committee for the fair.

The aides are: Dining room, Mrs. Alvan Need; PTA, Mrs. Alfred Van Wagenen; tickets, Claude L. Johnson Jr.; publicity, Ruth M. Curtin; awards presentation, Raymond Wiese, and entertainment, William Ingraham. Edith Bair, Robert O. White, Mrs. Gordon Shephard and Mrs. E. B. Arnold.

The committee is setting up a banquet program for which it is soliciting patrons to finance the fair. Chairmen of committees securing names for the list are Mrs. Alfred Van Wagenen, Mrs. Alvan Need and Raymond Wiese.

They are being assisted by Mrs. Albert Kellett, Joseph Rohrbaugh, Mrs. Walter Hahn, Mrs. Gordon

Shenhard, Mrs. Stephen Curtin, Mrs. Robert Nelson, Mrs. C. Bartley Cook, Mrs. Violet Weigel, Mrs. Archie Lummis, Mrs. Marie McGowan, Mrs. James Hall, Mrs. August Stang, Girard Pisano, C. L. Johnson Jr., LeRoy Seymour, Robert O. White, Mrs. Joan Arnold, Mrs. Carlton Leedom, Miss A. Marie

Kelly, Blair Birdsall, J. W. Crosby, J. MacMillan and Mrs. C. Brocklebank.

Approximately 125 students who have been outstanding in the high school during the current term will attend the event. Students must qualify for the honor through a

point system. Special awards will be given to the outstanding students in citizenship, art, drama, literature, boys' athletics, girls' athletics, music and science.

# PALMETTO STAR TO RETURN TO OVAL IN STOCK CAR RACING

LANGHORNE, Apr. 13—A death-defying spin and crash over a 15-foot embankment just off a treacherous turn of the mile speedway at Hillshire, N. C. several weeks ago that left her car demolished failed to daunt the racing ambitions of Mrs. Louise Smith of Greenville, S. C., and the Palmetto star will return to Langhorne speedway next Sunday afternoon in quest of further honors in the stock car racing circuits.

Louise, owner of an automobile parts business in Greenville, will be making her second appearance at Langhorne next Sunday when Bill France presents the 150-mile National Grand Circuit race for new model automobiles, rated as one of the biggest racing events of the spring season in the East.

The South Carolina star was the second woman entry for the 150-mile grind over the mile speedway since Mrs. Ethel Mobley of Atlanta, sister of the Flock brothers, has al-

ready filed her entry to drive a new Cadillac.

The crash at Hillshire several weeks ago demolished the modified car Louise was driving, but she escaped with a minor shoulder injury in what race experts classified as the biggest miracle of the season in racing circuits. But it wasn't the first crash for the Greenville girl. Last summer she was competing in the strictly stock car race at Daytona Beach, Fla. when she overturned entering the north approach of the tricky beach layout, but a group of racing enthusiasts uprighted her car and immediately she was off again to finish the race.

Bill France reported today that entries to date included some of the top ranking drivers from the East, South and Midwest, including Bob McElrath, of Denver, Colo. from the Rocky Mountain area. The starting field will be limited to 50 cars, France reported and will be restricted to 1946 and later model machines.
